FELT-TIP INK MARKERS

Industrial felt-tip ink markers that work as hard as you do.

DURA-INK® is the must-have, multi-purpose felt-tip marker that all jobsites, workshops and shipping departments demand. For 1,001 everyday uses, Markal® has the perfect color, shape and size marker for your needs. Inside the toolroom, warehouse, on the production line or at the construction site, DURA-INK markers are unbeatable in versatility. They work on metal, wood, cardboard, paper, ceramics, rubber and glass. With durable tips, heavy-duty plastic and metal barrels, and high-intensity colors, DURA-INK is the marker of choice for every industrial application.

FELT-TIP INK MARKERS

DURA-INK® 15

Fine Bullet Tip

- Ideal for fineline marking
- Extra-tough tip won't spread or mush
- Smear-resistant, water-resistant, fast-drying
- Marks on metal, wood, cardboard, paper, plastic, glass, and most other surfaces
- For identification of parts, layout work, and marking cartons and crates
- Durable plastic barrel & cap with pocket clip

DURA-INK® DRY ERASE

- Industrial strength felt-tip ink marker for temporary marking applications
- Marks can be removed quickly and easily with dry rag, towel, or eraser
- No residue or ghosting after mark is removed on most industrial surfaces
- Suitable for any non-porous surface
- Ideal anywhere that temporary marks are required such as parts identification, quality control processes and white board marking

Bullet Tip, Removable Marks

- Will not scratch painted surfaces
- Suitable for surfaces that require a low-chloride/low halogens specification
- 1/8" bullet felt-tip makes solid, opaque, visible marks
